German Engineering for Europe

EN The Dachs has already been installed over 30 000 times across Europe and reliably performs its function, namely to efficiently produce heat and electricity. The references in this brochure only show a fraction of possible applications for the Dachs but should give you an idea of the diverse areas of use - be inspired!

DE Der Dachs wurde europaweit mittlerweile über 30 000 mal installiert und erfüllt zuverlässig seine Aufgabe, nämlich effizient Wärme und Strom zu liefern. Die Referenzen in dieser Broschüre zeigen nur einen kleinen Ausschnitt an Anwendungsmöglichkeiten und sollen Ihnen einen Einblick in die vielfältigen Einsatzgebiete geben – lassen Sie sich inspirieren!

IT Sono già più di 30 000 gli impianti installati in Europa, in cui il Dachs assicura efficienza e risparmio, generando contemporaneamente calore ed energia elettrica. Le referenze presenti in questa brochure mostrano solo alcune delle applicazioni e dei settori di impiego possibili. Lasciatevi ispirare!

ES Se han vendido más de 30 000 unidades Dachs en Europa y cumplen de forma fiable con su cometido, es decir, generar de forma eficiente calor y electricidad. Las referencias en este folleto muestran solamente una parte de las aplicaciones posibles y deben ofrecerle una idea general de las múltiples áreas de uso – ¡inspírense!

FR Le Dachs est installé plus de 30 000 fois en Europe et effectue de façon fiable sa tâche, à savoir fournir efficacement de la chaleur et de l'électricité. Les références de cette brochure montrent seulement une partie des applications possibles et devraient vous donner une idée des domaines multiples d'utilisation. Soyez inspiré!

NL De Dachs is reeds meer dan 30 000 keer geïnstalleerd in Europa en vervult betrouwbaar zijn taak, namelijk, het efficiënt produceren van warmte en elektriciteit. De referenties in deze brochure tonen slechts een deel van de mogelijke toepassingen en moeten je een idee geven van de veelvuldige toepassingsgebieden. Laat u inspireren!

SI

Dachs je nameščen na več kot 30 000 lokacijah v Evropi , njegova naloga pa je zanesljivo in učinkovito zagotavljanje toplote in električne energije. Reference v prospektni dokumentaciji prikazujejo možnosti namestitve v ustanovah in podajajo ideje glede raznolikosti uporabe – navdušil vas bo!

PL

Mikrokogenerator Dachs, zainstalowany w Europie już ponad 30 000 razy, rzetelnie wykonuje swoje zadanie, a mianowicie zapewnia efektywne dostawy ciepła i energii elektrycznej. Referencje w niniejszej publikacji pokazują tylko część możliwych zastosowań i powinny dać Państwu wyobrażenie o różnorodnych obszarach zastosowań – jak ulec inspiracji?!

CZ

Více než 30 000 instalací Dachs v Evropě spolehlivě plní svůj úkol a to zajistit efektivně teplo a elektřinu. Odkazy v této publikaci ukazují pouze část z možných aplikací a měly by vám vytvořit představu o různých možnostech využití. Nechte se inspirovat!

Hotel Polynesia

Address: **Benalmádena Costa. Costa del Sol. Málaga. Spain**

Installation year: **2011** · No.: **1** · Operating hours per year: **approx. 8000**

Partner: **BAXIROCA – www.baxi.es**

Hotel Spa Relais & Chateaux A Quinta da Auga

Address: **Santiago de Compostela, Spain**

Installation year: **2009** No.: **2** · Operating hours per year: **approx. 5600 per unit**

Partner: **BAXIROCA – www.baxi.es**

Hotel Premier Inn Croydon

Address: **Croydon CR0 2BX – Greater London, United Kingdom**
Installation year: **2013** · No.: **2** · Operating hours per year: **approx. 8500 per unit**
Partner: **BAXI SenerTec UK – www.baxi-senertec.co.uk**

Hotel / Restaurant Burg Colmberg

Address: **Colmberg, Germany**
Installation year: **2009** · No.: **3** · Operating hours per year: **approx. 6000 per unit**
Partner: **SenerTec Center Mainburg - www.senertec-center-mainburg.de**

Hotel No. 1 Pery Square

Address: **Georgian Quarter, Limerick, Ireland**

Installation year: **2008** · No.: **3** · Operating hours per year: **approx. 4000 per unit**
